Residential Address: 24 Stansted, Highveld Centurion

Summary

As a recent graduate with a National Diploma in Information Technology Software Development from the Richfield Graduate Institute of Technology, I possess hands-on experience in Cybersecurity, Cloud Computing, and Networking. My skills in automation and programming, developed through active participation in various projects, have equipped me to embark on my professional journey. I am eager to join a dynamic team where I can contribute, learn, and grow further in this field

Skills

Technical skills

- Operation systems: Windows, Linux & Command-line tools
- Networking: network principles & protocols like TCP/IP & ISO, firewall, intrusion detection, LAN/WAN configuration
- Cloud computing: Microsoft Azure
- Security: Cybersecurity practices, SOAR, SIEM, SOC Environment
- Tools: Azure portal, Cisco Packet Tracer, Wireshark, Nmap, SIEM tools & SOAR platforms
- Proficient in Python programming and Scripting
- Programming Languages: C, C++, Java, & Python
- Web development- HTML, CSS, Javascript, PHP
- Framework & Libraries: Node.js, Linux
- Database: SQL, MySQL

Soft skills

- Effective communication
- Problem solving
- Teamwork
- Critical thinking
- Time management

Work experience

Cybersecurity Intern, Go Fourth International, March 2024 - September 2024

Duties: Skilled SOC analyst using Azure Sentinel, conducting in-depth investigations and threads hunting activities. Experience with cloud security SIEM technologies, SOAR, triage & handle security alerts, scripting skills

AI Intern, Capaciti

April 2025

Duties: Develop Chatbots, analyzing data and ensuring responsible AI practices

Academic Qualification

Richfield Graduate Institute of Technology (2023) [Diploma in information technology](#)

Kgalema senior secondary school (2020) [Matric](#)

Certifications

CyberOps

CCNA

Microsoft Azure Fundamentals

Microsoft Azure Data Fundamentals
